

Year	Month	Themes of Science Experiment	
2015	April	The marvels of Atmospheric pressure	C-1
	May	Surprising experiments with Food	C-2
	June	Batteries & Electricity	C-3
	July	Static electricity experiments	D-1
	August	Fun with Vibration	D-2
	September	Magnets & Electricity experiments	D-3
	October	Sinking & Floating experiments	E-1
	November	Spinning Power experiments	E-2
	December	The marvels of Vision	E-3
2016	January	The marvels of Light	F-1
	February	Fun with Flying objects	F-2
	March	Pendulums & Balance experiments	F-3
